UV PROCESS SUPPLY INTRODUCES NEW ECONOMY LINE OF GLOVES

CHICAGO, January 26, 2004 — UV Process Supply is proud to announce the introduction of the Economy Line of safety gloves to their growing product inventory. These high quality gloves adhere to the same stringent safety and quality standards as their standard gloves. Available in case quantities only, this lower-priced alternative provides a second price tier for the budget conscious customer.

UV Process Supply's full line of gloves includes over 20 varieties offering varying levels of hazard protection. Economy models are offered for Nitrile Surgical-Type, Nitrile Powder-Free Surgical-Type, Flock-Lined Latex, Nitrile Flock-Lined, and Neoprene Gloves. These gloves may be worn for a wide range of uses in production or lab areas, in electronics printing and assembly, in pre-press processes, and for handling and mixing UV/EB inks, coatings, chemicals, and solvents. They also offer the added protection of effectively blocking UV wavelengths.

Since 1979, UV Process Supply has provided goods and services for the UV curing market. Throughout the last 25 years, this market has grown tremendously and UV Process Supply has kept pace. This latest product introduction reinforces UV Process Supply's position as *the complete source for all your UV curing needs.*

For more information on the Economy Line of safety gloves, contact UV Process Supply at their toll-free number 800-621-1296 or dial 773-248-0099 directly for a customer service representative. UV Process Supply is also accessible via fax at 800-99FAXUV or 773-880-6647, via email at info@uvps.com, or via the internet at www.uvprocess.com.
