UV PROCESS SUPPLY'S 25TH ANNIVERSARY CATALOG

CHICAGO, November 18, 2003 — UV Process Supply is proud to announce the release of their new 25th Anniversary Catalog. Available in print format as well as a CD-ROM version, this new 240 page catalog represents the largest and most complete product offering in the company's history.

Since 1979, UV Process Supply has provided goods and services for the UV curing market. Throughout the last 25 years, this market has grown tremendously and UV Process Supply has kept pace. The latest catalog features groundbreaking UV curing products, new product lines, and hundreds of other UV related items reinforcing UV Process Supply's position as *the complete source for all your UV curing needs.*

Over 100 new products are included in this catalog. New products include: the **UV LED Cure-All**, a UV curing system built on the power and performance of UV LEDs; the Economy line of their most popular safety gloves; many new radiometers; and the latest UV curing systems. For more information on these and other innovative products, please review the 25th Anniversary Catalog or visit their web site at www.uvprocess.com.

Another exciting aspect of the new catalog is the link to the UV Process Supply web site: www.uvprocess.com. No longer will customers have to call or fax requests for pricing. The web site now features up-to-the-minute pricing. Simply go to the site, find the desired product, and the updated price is provided.

For more information on the new 25th Anniversary Catalog, contact UV Process Supply at their toll-free number 800-621-1296 or dial 773-248-0099 directly for a customer service representative. They are also accessible via fax at 800-99FAXUV or 773-880-6647, via email at info@uvps.com, or via the internet at www.uvprocess.com.
