

POLY-CLEAN

Heavy Duty Printers Hand Cleaner

Poly-Clean

Poly Clean Heavy Duty Printers Hand Cleaner features millions of polymeric micro scrubbers ready to tackle even your toughest hand cleaning needs.

Specifically formulated for today's printer, Poly Clean cleans the dirtiest hands quickly and effectively without the use of harsh solvents

Powerful

Lifts deeply embedded printer's ink, stains, and paints fast, yet it's emollient enriched and pH balanced

Solvent Free

Contains NO harsh chemicals. Polymeric beads gently scrub away ink, leaving a clean lemon lime fragrance

Economical

Using the unique metered dispensing system you can achieve "pennies per use" economy

SPECIFICATIONS:

Physical state	paste
Appearance	green
Odor	lemon, lime
pH	~8.6
Phosphorus	none

Sold in six 3.8 pound tubs or under the original PolyScrub name in a 26 pound bulk pail
