

## DISPOSABLE FACE MASKS

Prevent Inhalation Irritation With This Disposable Mask.

An economical choice for light duty or short duration applications. Used for a wide range of nuisance and non-toxic dusts, mists, powders, pollens and common airborne irritants. This one size fits all mask has a lightweight naturally-contoured shape for a secure fit plus a large filter area. Easily contours with the nose due to a built-in aluminum bridge clip wire support. It is comfortable to wear for extended periods of time. Designed to be worn with safety glasses.

### FEATURES:

- Suitable for workshop, pollen, sweeping, gardening, farm work, cleaning and protection against other non-toxic airborne dusts.
- Compact design easily worn with glasses and goggles.
- Soft flexible nosepiece permits individual facial adjustment.
- This one-size-fits-all mask is perfect for home, factory, farm, and garden use.

### APPLICATIONS INCLUDE THE FOLLOWING:

- Wood and metal sanding
- Grinding operations
- Dusty work areas
- Lab or clean room use

\*Caution: for comfort use only. Not NIOSH approved.
